***This Vendor List is provided by Luma Homeowners Association (HOA) as a courtesy. Homeowners/residents are not required to use a vendor on this list and may choose their own vendor. Luma HOA makes no representations or guarantees for the vendors on this list, including, but not limited to, whether each vendor's Contractors License is current, their qualifications, the quality of their work and/or the suitability of a vendor for the particular work contemplated by a homeowner/resident. Each company has its own pricing, terms and conditions. All contractual agreements are between the homeowner/resident and the vendor. Luma HOA is not a third-party beneficiary to any agreement or contract between a homeowner/resident and a vendor, and it does not assume responsibility for a vendor's present and future performance. Each homeowner assumes full responsibility as to the quality of work performed and whether the work will be in accordance with Luma's governing documents. Use of a vendor on this list does not waive or replace any architectural requirements of the governing documents, and each homeowner is responsible to obtain any applicable architectural approval before the commencement of work.***
