

**REQUIRE ASSISTANCE IN CASE OF A BUILDING EMERGENCY?**

The information below will help our staff and First Responders identify residents that may require assistance in the event of an emergency building evacuation. This information is voluntary, but also confidential and limited to those that are required to know.

Name: \_\_\_\_\_

Unit number: \_\_\_\_\_

Primary phone: \_\_\_\_\_

Secondary phone: \_\_\_\_\_

Special equipment needed to be brought with you if you have to evacuate (oxygen, wheelchair, etc.) or information you think emergency responders will need to know:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

These forms can be updated as often as needed, so if you've recently suffered an injury or undergone surgery and will need assistance until you are healed, please fill out a form. You can inform the Assistant Manager once you are well enough to exit the building on your own in the case of an emergency situation.
