

LIMITED STREET ACCESS

- **Phase 1:** Green areas of the map. No parking from June 10th at 7:00 a.m. to June 11th at 7:00 a.m.
- **Phase 2:** Pink areas of the map. No parking from June 11th at 7:00 a.m. to June 12th at 7:00 a.m.
- There will be no parking or vehicular/pedestrian traffic allowed in these areas until work is complete and barricades are removed. Any vehicles left in the work areas will be towed away without further notification at the vehicle's owner expense.
- Please do not walk or drive on the newly repaired areas before the barricades are removed. Those that fail to comply with this notice are subject to fines and charges for any damages caused to the area.
- Please avoid running irrigation systems 24 hours prior to and after work is complete. Water run-off may cause a delay to work in these areas and/or damage the repairs.
- Management and/or SoCal Road Slurry will not be held liable for any damages to unattended vehicles, their contents and/or personal belongings left in the work area or for any damages to the property from failure to comply with this notice.
- A crack fill is scheduled to take place on June 4th- 5th, however cars do not need to be removed from the street.
- Striping is scheduled to take place on June 15th- 16th, however cars do not need to be removed from the street.

We apologize for any inconvenience that this may cause and we thank you for your cooperation.
