

Dear Resident –

We hope that you had a wonderful week! Here are a few updates that we would like to make you aware of.

Emergency Procedures Training

Thank you to all those that participated in the annual emergency procedures training and evacuation drill.

For those who were unable to attend, we have included some useful tips on emergency preparedness and a safety brochure that can be printed and kept accessible for use in case of an emergency. Preparedness tips include:

- Keeping a 3-day supply of non-perishable and canned food items on hand for each person.
- Keeping 1 gallon of water per person, per day on hand for a 3-day supply.
- Keeping a separate supply of medications in case of emergency.
- Having a minimum of two flashlights and fresh batteries. Batteries should be checked every three months.
- In case of an evacuation, do not call the Concierge desk. They will be busy with other responsibilities and any delay in exiting the building could be hazardous.
- In case of evacuation, the designated meeting point is located on the corner of 6th Ave and Nutmeg St.
- If you would like evacuation assistance, please notify Management so that we can ensure you are added to the Fire Department's list.

Park Laurel Website

We are happy to announce that Park Laurel has a new website for the Community. Please visit www.parklaurel.net to view the newly debuted site.

Board Candidate Applications

We are still accepting applications for the Park Laurel Board of Directors. If you are interested in running for the Board, please notify Management before the September 29th deadline.

On behalf of your Park Laurel team, have a nice holiday weekend!
