

Dear Resident –

We hope that you had a wonderful week! Here are a few updates that we would like to make you aware of.

Window Washing Update

The window washing for the South Tower was completed today and the North Tower cleaning will begin on Monday, November 6th. You may wish to keep your shades drawn for privacy.

At the end of each day, the Front Desk will have a map showing the progress of the washing and the next day's work schedule if you would like to see exactly when your windows are scheduled to be cleaned.

Annual Meeting and Election

The Annual Meeting takes place on Thursday, November 9th at 6:00 PM in the North Tower lobby. If you have not already done so, please fill-out your ballot and return it to Management by 12:00 PM on November 9th.

Daylight Savings Time Ends

We would like to remind you that Daylight Savings Time ends this Sunday at 2:00 AM. Please remember to change all clocks back one hour. Also, this is a good time to change the batteries in your smoke detectors and water alarms if they have not been changed this year.
