

Dear Resident,

We hope that you are having a fantastic holiday season! Jeremy is on his way with the toys to the Polinsky Children's Center. We had quite the collection of toys and gift cards from the Community. Thank you for your generous contribution to this wonderful charity AND to the holiday fund for the staff.

Jeremy and I will be off this Friday and Monday in observance of the holidays. Before we embark,I wanted to provide you with an update on the waterproofing project.

This Saturday, the entry ramp will re-open. There will be one day next week that we need to close the exit ramp to paint the arrows. That will conclude the project.

We thank you for your patience, cooperation and assistance during the project.

We wish all of you a very wonderful holiday week!
