

Dear Resident –

We hope that you had a wonderful week! Before we embark on the weekend, we would like to provide you with some information on the Heart and Stroke Walk.

Please be aware that tomorrow, Saturday, September 15, 2018 The American Heart Association will be hosting the Heart & Stroke Walk. The exposition starts at 6:30 AM and the walk begins at 7:45 AM. During this time, please expect heavy foot traffic around the building. If you need to leave during or around this time, we suggest you park overnight in the Chase Bank garage and either go North on 5th Ave. or West on Laurel St.

Please be advised of the following road closures:

- Northbound 6th between Thorn and Robinson
- President's Way, El Prado, and Cabrillo Bridge to Laurel

Although the following streets don't affect us entering or exiting the building, be advised that there will be traffic on the surrounding streets. A map of the course is attached.
