

Dear Resident,

We hope that you had a great week! A few updates before embarking on the weekend ahead. Don't forget the Oscars air this Sunday at 5:00 pm on ABC.

Storage Unit Available

We currently have a storage cage that is available for rent on P1 in the South Tower. For more information, please email Tyler at admin@parklaurel.net, or stop by the Concierge Desk.

Floor Drain Flush

There is a floor drain all of the laundry rooms right next to the water heaters. During the winter time, these floor drains don't get used as often because the air conditioner is not running.

If there isn't water that is regularly going down this drain, then it dries out and allows the bugs that naturally live in drainage pipes to come out. To prevent this in your unit, it is best to pour a bucket of water down this floor drain at least once a month when you are not running your AC.

To that point, if there are any sinks, toilets or showers that you do not regularly use, you will also want to run water down those drains at least once a month.

Spring Party

Mark your calendars. The Annual Spring Party is on Wednesday, March 27th from 6:00 pm to 8:00 pm. A copy of the invitation from the Social Committee is attached, and also in each of your mailboxes.

Please RSVP to the Concierge by March 20th. We look forward to seeing you there!

We hope that you have a great weekend!

On behalf of your Park Laurel Team,

Tyler
