

Dear Resident,

We are so pleased you could make it to the Mainly Mozart performance last night. We had 70 residents who were able to enjoy the performance by the two artists from Texas and Florida.

The annual Festival runs May 30th through June 23rd. To take advantage of the season and purchase tickets to the different performances, please visit: <https://mainlymozart.org/mainly-mozart-festival/>

If you would like to learn about donating or becoming a sponsor for the Mainly Mozart organization, please visit <https://mainlymozart.org/support-us/> or email Garrett Harris at gharris@mainlymozart.org.

All my best,
Ryan
