Boxes & Bulky Item / Furniture Disposal

Please be reminded that all cardboard boxes must be broken down before disposing in either the blue recycle bins or the large trash bins on G1. Residents have recently left boxes lying outside the bins on the parking garage floor which prevent cars from getting in and out of parking spaces. Residents violating this are subject to enforcement and fining after a hearing with the board.

LA Sanitation (LASAN) will pick up your large/bulky household items such as mattresses, couches, doors, carpet, toilets, electrical waste, and other furniture and items from residents residing in multi-family residential buildings. **To remove these bulky items from your curbside, please call the LASAN Customer Care Center at 1-800-773-2489 to schedule an appointment for a Wednesday pick up.** Please provide an itemized list of the items to be collected when you call to schedule the appointment.

Non-Compliance Issues

On recent inspections, we have noticed several doormats outside of the unit front doors and would like to kindly remind everyone that this is not permitted according to the Vero Rules & Regulations. Please help us keep the common areas tidy by not placing doormats or storing carts, boxes, trash bags, etc. outside of your unit for any length of time.

We have also received requests from owners wishing to install cameras on their doorbells however this is not permitted either due to concerns of uniformity within the common area. We thank you in advance for your cooperation in keeping the common areas clean and tidy for everyone to enjoy.

MANAGER
